Enrolment Requirements - Policy & Procedures

Yarra Valley Grammar will consider enrolment applications from overseas students wishing to apply for a Student Visa, subject to compliance with minimum requirements and conditions set by the School, and with legislative requirements of the State of Victoria and the Commonwealth of Australia, including any requirements to undertake extra tuition to learn English to meet the English language proficiency standard needed to enter mainstream classes.

Yarra Valley Grammar welcomes applications from overseas students wishing to undertake study at our School from Prep to Year 12. Please note that commencement at the School outside Term 1 will be approved at the discretion of the School.

It is a School requirement that all overseas applicants sit an Australian Education Assessment Services (AEAS) test which provides an assessment of the student's English language proficiency and suggests the duration of an intensive English language course required before commencement at Yarra Valley Grammar.

Applications for enrolment must be made on the [Application for Overseas Student Enrolment form](#).

Applications should be forwarded to international@yvg.vic.edu.au This form must be correctly completed, and must be accompanied by the following documents to support the application:

1. Certified copies of the School reports for the last two years of study (translated into English) including a copy of the latest Student Report;
2. A completed Yarra Valley Grammar Subject Selection form (where appropriate);
3. AEAS test results to demonstrate proficiency in English as a second language;
4. Photocopy or scanned copy of passport page with name, photo identification, passport number and expiry date;
5. Application for Course Credit (where appropriate);
6. Where the above documents are not in English, certified translations in English are required, with necessary costs to be met by the applicant;
7. An application for enrolment can only be processed when all of the above have been received by the Admissions Office;
8. Applications from overseas students are processed according to established policy and procedures, and are dealt with on their merits;
9. Assessment procedures include an evaluation of reports from previous schools and of English language proficiency.
